

Case Manager/Care Coordination Supervisor – Howard County

Center for Children, Inc. is seeking an experienced, highly enthusiastic licensed clinician to serve as a supervisor in our Howard County Care Coordination Program.

Center for Children is seeking an experienced, Masters level licensed (state of MD) Social Worker or Counselor (LGPC, LGSW, LCPC or LCSW) to provide site supervision to care coordination wraparound program for youth in the Howard County area. The supervisor will also be expected to provide some in home care coordination services. Ideal candidate must have excellent computer and clinical documentation skills and must be able to manage others to same standard. Seeking a strong, team oriented supervisor whose goal is to achieve great program outcomes. Prior supervisory experience is a MUST!

Education and Skill Requirement: Master's degree in Human Health Services related field; Maryland (MD) State Licensure (LCPC, LGSW, etc) with Professional Insurance; Supervisory experience is required; Ability to handle stressful situations; Good writing skills and the ability to meet deadlines; Valid driver's license and vehicle insurance.

Working conditions are normal for an office environment. Work may require 45 hour work weeks, weekend and/or evening and occasional overnight travel. Frequent car travel to and from clients' homes. You are required to keep your MD State license, professional insurance, driver's license and vehicle insurance current at all times.

Qualified candidates should email their cover letter with salary requirements and resume to Cathy Bellamy, Coordinator of Human Resources at bellamy@center-for-children.org.

Center for Children, Inc. is an equal opportunity employer.
